CLICK - CELEBRATING 20 YEARS OF HELPING KIDS!

ABOUT CLICK

Established in 2004, CLICK has distributed more than \$1.5 million to a wide variety of programs in Vancouver that are run by community centres, neighbourhood houses and other organizations supporting school-aged children. The range of programs that CLICK supports address the needs and challenges of children and youth living in working poor families. These are often new immigrant and single parent households where parents are working two or three jobs and struggle to pay rent and keep food on the table.

CLICK supports organizations that provide out-of-school care - programs that are critical for child development and offer a safe and enriching environment. These programs give children and youth homework and literacy support, access to sports and recreation, camps and the arts. Daily hunger is a reality for most of these children so most programs provide snacks and meals.

Mission Statement

CLICK envisions a Vancouver where a child's life is not determined by their postal code or household income. Every child in our city should have a safe place to go after school, access to healthy meals and the opportunity to pursue their dreams and goals and succeed in life.

SUPPORT OUR CELEBRATION

Please join us for an inspiring evening on May 14, 2024 at Heritage Hall for a community event celebrating CLICK's 20 years of helping kids. We are expecting 200 guests for a festive cocktail celebration with longtime CLICK supporter Fred Lee as the emcee for the event. The guests will be a cross section of Vancouver residents - from corporate and civic leaders to educators and philanthropists and people who all believe in helping kids become the best they can be. There will be live music performed by students from a secondary school supported by CLICK along with an inspiring young adult speaker who was a beneficiary of CLICK funded programs.
